Information for you: ☺

- We will be learning all about Turkeys this week. This theme will go through into math centers where we will measure turkeys, compare turkey numbers and write turkey teens. It will also go into literacy centers where we will be finding turkey sight words, rhyming turkey feathers and listening to "A Plump an Perky Turkey" by Teresa Bateman. We will be reviewing the letters T & K; learning the sight words one, two, three and four; and be introduced to our first two word families -at and -an.
- Parent Teacher Conferences will be held on November 13. A letter was sent home with your conference time on it.
- As the weather gets cooler, be sure your child is bringing all of their cold weather gear.

Upcoming dates:

- \*November 5—End of 1<sup>st</sup> Quarter
- \*November 13—Parent Teacher Conferences 12 pm – 8 pm
- \*November 13—No School for Students

Have a great week!
