Notes to the teacher:

\*Be sure you are checking your child’s folder each day so you are aware of any events. We do plan on having Track and Field Day on May 29<sup>th</sup>. Kindergarten only participates in the 50 yard dash at the beginning of Track and Field that begins at 12:15. We will watch part of the other events, but will also be in the classroom for other parts of the day. If you want your child to watch a sibling in their events, you must check your child out in the office and keep your child with you for the rest of the day.

\*Lots of things will be coming home over the next two weeks so be sure to clean out your folder/backpack each day. Remember that the last day of school is June 4 and it is an early release day.

\*It has been a pleasure being your child’s teacher this year! Each child has grown so much over the year. I look forward to seeing everyone next year in our brand new school! Have a great summer!!
